

BIG IDEAS

Music communicates traditions, perspectives, worldviews, and stories.

Composition and production can be adapted to facilitate limitless expression and meaning.

Creative and technical proficiency in music is transferable across different contexts.

Purposeful choices enhance the quality, artistry, and authenticity of musical processes.

Music offers **aesthetic experiences** that can transform our perspective.

Learning Standards

Curricular Competencies	Content
<p>Communicate and document</p> <ul style="list-style-type: none">• Document and compile resources that inform musical composition and production• Use musical symbols to enhance the performance quality of a musical composition• Engage with peers to provide constructive feedback• Collaborate to express personal voice, cultural identity, and perspective through music <p>Connect and expand</p> <ul style="list-style-type: none">• Evaluate and demonstrate personal and social responsibility associated with creating, performing, and responding to music• Make connections through music composition and production on local, national, or global scales• Evaluate personal, educational, and professional opportunities in music and music-related industries• Investigate relationships between music and personal, social, or cultural change• Identify and practise self-care to prevent performance-related injury• Safely care for and maintain electronic tools, equipment, materials, and work spaces	

ARTS EDUCATION – Music: Composition and Production Grade 12

Big Ideas – Elaborations

- **aesthetic experiences:** emotional, cognitive, or sensory responses to works of art

ARTS EDUCATION – Music: Composition and Production Grade 12

Curricular Competencies – Elaborations

- **ensemble contexts:** ensembles of varying size, instrumentation, or voicing
- **musical vocabulary:** descriptive and instructive terms with specific application in music; can be in English or other languages commonly used by composers (e.g., Italian); includes musical literacy which is the ability to read, write, notate, or otherwise communicate using musical language, vocabulary, and/or symbols
- **musical language:** vocabulary, terminology, and non-verbal methods of communication that convey meaning in music
- **Document:** through activities that help students reflect on their learning (e.g., drawing, painting, journaling, taking pictures, making video clips or audio-recordings, constructing new works, compiling a portfolio)
- **personal voice:** a style of expression that conveys an individual’s personality, perspective, or worldview
- **performance-related injury:** for example, repetitive stress injuries, vocal strain, other harm to oral and aural health

ARTS EDUCATION – Music: Composition and Production Grade 12

Content – Elaborations

- **musical elements, principles, vocabulary, symbols, and theory:** metre, duration, rhythm, dynamics, harmony, timbre, tonality, instrumentation, notation, pitch, texture, register, terms in Italian and other languages, expressive markings, abbreviations; methods, processes, and concepts used in creating and performing music
- **creative processes:** the means by which an artistic work (in dance, drama, music, or visual arts) is made; includes multiple processes, such as exploration, selection, combination, refinement, reflection, and connection
- **instruments:** both electronic and acoustic, including the voice
- **history:** the influences across time of social, cultural, historical, political, and personal contexts on musical works; includes the influences of historical and contemporary societies on musical works
- **cultural appropriation:** use of a cultural motif, theme, “voice,” image, knowledge, story, song, or drama, shared without permission or without appropriate context or in a way that may misrepresent the real experience of the people from whose culture it is drawn
- **legal issues:** including regulations and recommendations for noise levels
