

CORE FRENCH – INTRODUCTORY 11

Description

Core French Introductory 11 has been developed to offer an opportunity for students who did not begin Core French in the elementary grades to enter Core French at the secondary level. Core French Introductory 11 is an intensive course, designed to cover essential learning standards from Grades 5 to 10 in an accelerated time frame in order to prepare students for Core French 11. It should be noted that this course does not replace the richness of the regular Core French 5-10 curriculum.

It is assumed that students would have limited to no background in Core French prior to enrolment. However, as contexts vary, districts may use their discretion with regard to admission criteria for this course. Enrolment in Core French Introductory 11 is not limited to Grade 11 students, and there are no prerequisites for this course.
