## **KOREAN – INTRODUCTORY 11**

### **Description**

Korean Introductory 11 has been developed to offer an opportunity for students who did not begin Korean in the elementary grades to enter Korean at the secondary level. Korean Introductory 11 is an intensive course, designed to cover essential learning standards from Grades 5 to 10 in an accelerated time frame in order to prepare students for Korean 11. It should be noted that this course does not replace the richness of the regular Korean 5-10 curriculum.

It is assumed that students would have limited to no background in Korean prior to enrolment. However, as contexts vary, districts may use their discretion with regard to admission criteria for this course. Enrolment in Korean Introductory 11 is not limited to Grade 11 students, and there are no prerequisites for this course.
